

## Introducing the Emergency Broadband Benefit (EBB)

The Emergency Broadband Benefit (EBB) is a government program to help households struggling to pay for internet service during the pandemic. EBB provides a discount of up to \$50 per month towards broadband service for eligible households and up to \$75 per month for households on Tribal lands. Find out if you qualify at [agingconnected.org/EBB](https://agingconnected.org/EBB).

## What Can You Do Online?

Older adults can access a variety of courses, programs, and activities to learn new skills, save money, get in shape, and make new friends through Senior Planet from AARP. For more information on classes and activities offered, visit [seniorplanet.org/aging-connected](https://seniorplanet.org/aging-connected).

**Questions? Call: 877-745-1930**

*Aging Connected is a national campaign led by Older Adults Technology Services (OATS) from AARP to help close the technology adoption gap for older adults. Learn more at [www.agingconnected.org](https://www.agingconnected.org).*

# Getting Connected Means Being Connected!

So much of today's information, communication, and fun happens online that the internet is more essential than ever before. When you're online, getting things done becomes cheaper, easier, and more efficient. You can use the internet to bring the world into your home.

The sky's the limit as far as what you can do, but below are a few of the most popular online activities and how they can help you **save money**, **connect** to the world, and **make life easier**.
